SUBJECT: Brigade Policy Letter 39, Off Installation Curfew

1. Reference: USFK Command Policy #7, General Order Regarding Off Installation Curfew, 30 JUL 08
2. Curfew Policy: An off installation curfew is in effect from 0001 until 0500 Sunday night through Friday morning and 0300 to 0500 on Friday night, Saturday, Sunday morning and U.S. observed holidays (U.S. observed holidays include U.S. national holidays, USFK training holidays and US observed ROK holidays).
3. Unless the exception in paragraph 5 applies, during the hours of curfew, service members must either be; (1) on a US military installation; (2) off the installation in a private residence; or (3) off the installation in their place of lodging for the evening, which may include a hotel room off the installation, but does not include other areas of a hotel such as a hotel lounge, bar, casino, pool or lobby.
4. Travel during curfew hours directly to and from a military installation is authorized for official duty, attendance at an on installation activity, or to attend an installation sponsored MWR/recreation event or activity. The Brigade Commander may authorize, in writing, exceptions to this curfew policy for other unit off-installation events and activities.
5. Exception to the curfew policy. Service members who are on official leave are exempt from curfew, except the night before they are scheduled to report to work. Service members must have a valid copy of their official leave authorization on their person.
6. This is a punitive policy. Service members who fail to comply with the provisions of this order are subject to punishment under the UCMJ, as well as adverse administrative action authorized by applicable laws and regulations.
7. This policy is effective 15 August 2008. This policy will be reviewed by the Brigade Commander as necessary. POC for this memorandum is the S1 at 723-7084.
